

You need to ensure you can do everything with an X for the level you are working at before doing your practice & assessed expeditions.

| | B | S | G |
|---|---|---|---|
| Basic Introduction to the compass | X | | |
| Care of the compass | X | X | X |
| Direction from the compass in terms of cardinal and inter-cardinal points | X | X | |
| Measuring direction in degrees | | X | X |
| Setting the map by the compass where magnetic variation can be ignored | X | X | X |
| Finding a direction | X | | |
| Determining the direction of footpaths or direction of travel | | X | X |
| The influence of ferrous objects and electromagnetic fields | | X | X |
| Travelling on a bearing. Obtaining a grid bearing from the map, allowing for magnetic variation where appropriate | | X | X |
| Magnetic variation and the relationship between True, Magnetic and Grid Norths | | X | X |
