

Visual routes need to be supplied for the following:

- Base camp
- Assessor
- Supervisor
- Team (2 copies)

The visual routes come in 4 different acceptable formats and a mix of these may be used to supply the 5 copies of visual routes. Details of what is expected for each type of visual route is shown below:

1. Acetate Tracing

Group name	Date & day of route
Map sheet, number & scale	Leg ends marked with dot
Grid reference for start & finish	Major road or a prominent feature shown
Route shown with arrows (not obscuring map information)	
2 cross hatches with grid ref & north to orientate the map	

2. eMapping Printout

Group name	Date & day of route
Map sheet, number & scale	Leg ends marked with dot
Grid reference for start & finish	Major road or a prominent feature shown
Route shown with arrows (not obscuring map information)	
2 cross hatches with grid ref & north to orientate the map	

3. Colour Photocopy of Map Section (A3 or A4)

Group name	Date & day of route
Map sheet, number & scale	Leg ends marked with dot
Grid reference for start & finish	Arrow identifying North
Route shown with arrows (not obscuring map information)	
2 northings and 2 eastings shown on major grid lines	

4. Active Map

Group name	Each day clearly identified
Leg ends marked with a dot	Start/Finish for each day clearly seen
Route shown with arrows (not obscuring map information)
